What to Bring on "The Base Weekend" to Curraghchase

Curraghchase is 5 kms from Adare Co. Limerick. It is a scout Centre with beds for 30 people. The hostel is basic but in the ideal location to partake in scout bases such as hiking, knot work and team building tasks. These are all suitable for every scout and are the best part of scouting. There will be plenty of food provided on the weekend and lights out will take place at about 1pm.

	Sleeping Bag			Fleece Jacket (or Warm Jacket)
	Bed Sheet (something to cover mattress)			Hat
	Neckerchiefs (no Uniforms)			Warm jumper
	1 to 2 Changes of Clothes (full set / underwear and socks)			Medication (if any)
	Rain gear			Torch (if you have one)
	Mountain boots or Comfortable walking shoes.			plate, bowl, Cutlery & cup
	Wash Kit and Towel			Above to be Plastic or enamel

Important notes.

As leader I must insist on Parent making sure your son

- Warm clothes and Rain Gear.

I am surprised every week that scouts come do with a jumper or a hooded top as there outer layer. This is not enough. Scouting is about being outdoors. With Preparation you can be out doors and very comfortable.

- Also please do not give your son *too many* sweets, chocolate or Coke. We will not be near a shop all weekend so bring what ever treats are needed
“Remember: its better to be warmer than colder”

Leaving: St Patrick’s Church at 7.30pm Friday 22nd of February

Returning home: 1pm on Sunday St. Patrick’s Church

Cost: 40 euro per scout

(Bus Cost €20pp hostel cost 15 for 2 nights. Troop will make a loss on this weekend we will cover the remainder of food)

Well done

Last week we were inspected on our indoor section of the shield. A big well done to all the parents for putting in the effort and getting the uniforms ready. The marker had nothing be good to say and commented on how excellent the newer scouts were. Well done again.

Yours in Scouting
